

2019 ANNUAL SEMINAR

FAMILY FINDING

FROM THE PAPER
TO THE SCIENCE

SESSION #1

CHILD LIFE: ENRICH THE STORY OF YOUR ANCESTOR'S EARLY YEARS

Discover untapped sources of the deeper story of childhood and how to find often overlooked records created by and about children.

SESSION #3

KILLING THEM SOFTLY : END OF LIFE DOCUMENTS ARE THE PLACE TO START

Find out how to discover the wide range of information compiled at the end of a life. Go beyond the death certificate and find clues to how a life was lived, taking your research deep into the past.

SESSION #2

FIRST VALENTINE TO THE MARRIAGE KNOT UNTIED: COURTSHIP AND MARRIAGE CUSTOMS AND CONSEQUENCES

Learn how to uncover the stories behind marriage to reveal the richness of your ancestors' experience and clues to their lives that can move your research forward

SESSION #4

DNA: GENES IN YOUR GENEALOGY

Learn how to choose your first or next DNA test, decide who to test, and techniques for interpreting your DNA test results to help bring the science to your research.

SPECIAL QUESTION & ANSWER SESSION WITH OUR PRESENTERS TO FOLLOW!
